

Pelican Transport

connecting more of
Rhode Island to the
Arts while they travel

RIPTA's service gone, the need to reduce traffic, avoid tolls and tickets still remain.

Making it faster, or cheaper isn't exactly the **best** design.

What now?

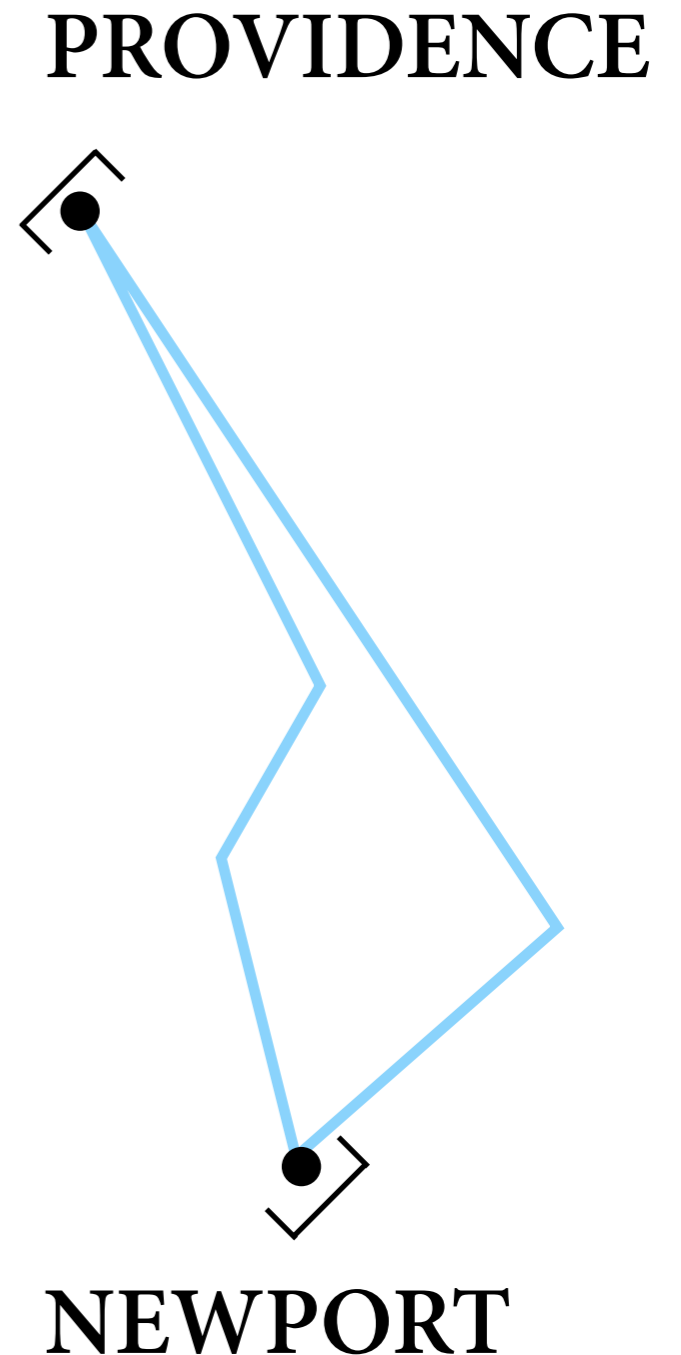

What we haven't talked about is what happens DURING the trip?

65 minutes of attention

Pelican, later named the Golden Hind, was Sir Francis Drake's vessel from Plymouth to circumnavigate the globe.

Back then, communities and businesses would fund these explorations
